

GALT TRAFFIC

The monthly Newsletter of EAA Chap. 932 at Galt Airport, Wonder Lake, IL. (10C). **President:** John Wise, 7704 E. Sunset Dr., Wonder Lake, IL. 60095 (FLYDVII@AOL.COM) **Editor:** Jeff Hill, 9610 Hidden Ln., Woodstock, IL. 60098, (JJHILL@COMPUSERVE.COM)

Articles may be reprinted if credit is given.

JULY 1999

BOMB DROP

The wise crack in last month's issue about the carpet bombing should not be taken seriously. For the record, Art Galt and John Wise won second place fair and square with their numbered bombs on the first two passes. The "Carpet Bombing" was just for grins and wasn't scored.

YOUNG EAGLES

By Jack Hartery, Young Eagles Coordinator (815/243-5767)
E-Mail: SKYKING523@YAHOO.COM)

Boy did our June Young Eagles Day get weathered out! We never saw VFR that day and we didn't fly one Y.E. July is another month and we'll try it again July 10, 11 AM to 4 PM. We could use your help, either in the air or on the ground. Please show up and lend a hand assisting the Young Eagles or helping with the burgers. (We need to sell a few of those to help pay for the deck!)

KIDS SAY THE 'DARNEST' THINGS...

Mom to Young Eagle: "What's the most interesting thing you saw at the airport or on your flight?"

Young Eagle: "The rubber snakes they put by their planes to scare the mice away!"

WELCOME TO THE OBSERVATION DECK -- EAA 932 LOOKING FOR SLIDING DOOR

The deck on the north side of the chapter hangar has been started. Any Ten-Cee looking for a place to lounge while sipping their drink and laughing at landings is welcome to take advantage of it when finished. It would be nice to have a patio (sliding) door from in the middle of the north wall opening out onto the deck. Does anybody know of one that might be available from a remodeling project? We'll be finishing the railings and benches soon, at the July meeting if not sooner. It would be nice to have it ready for Y.E. Day the 10th. Want to help out? Call or E-mail **John Wise 815/653-3966** or, **FLYDVII@AOL.COM**

FIRST SOLOS AND NEW RATINGS

Congrats to a bumper crop of Ten-Cee fledglings! First solos in May and June include: **Dale Merrill** (5/2) **Ian Kasper** (5/11) **Paul Demos** (6/3) **Brad Toussaint** (6/9) **Rich Schroeder** (6/11) **Lou Kohl** (6/16) and **Tom Cook** (6/27).

Congratulations are also in order for new Private Pilots **Bill Busse**, **Walt Musel** and **Glen Smith**. May we share many happy hours in the sky together!

TEN-CEES AT OSHKOSH

Going to Oshkosh? Would you like go with some other Ten-Cees, or maybe get together while there? Are you taking a mobile home or camping? Would you like to be the hospitality suite? (Just kidding...) On the serious side, if you'd like to make some plans for OSH, come to the next EAA 932 meeting at 10am Jul. 17 and let's talk about it.

HALF A MILLION PILOTS

There are about 500,000 pilots, Private or higher, in the United States. With a population of around 267 million, that's way, way less than 1% -- about one pilot for every 530 Americans.

Shouldn't we try to stick together to try to preserve and promote aviation? It is true that, "By union the smallest states thrive, by discord the greatest are destroyed." (Sallust)

Please join and support AOPA and EAA. Contribute what you can to the Air Safety Foundation, the EAA Foundation and the AOPA PAC. Support issues that are in our interest, like saving Meigs Field (See last article this issue). Stick up for your fellow aviators and don't do anything to give us a bad name. Like Franklin said, "We must all hang together or assuredly we shall hang separately."

(...and while we're making quotes, how about this one: "Old men are fond of giving good advice, to console themselves for being no longer in a position to give bad examples." La Rochefoucauld)

ccccccccc

JULY FLY-IN CALENDAR

Nov 25 Thanksgiving Day

Dec 18 Chapter Meeting 10am *Christmas Dinner* 7pm

Dec 24-25 Christmas Eve/Day

Dec 31 New Year's Eve

COMM CLASSICS

Worst case scenario #27: "Chicago Approach, Cessna Eight Baker Charlie is icing up pretty bad -- I can't maintain altitude -- looks like we're going into the Lake."

"Roger Eight Baker Charlie, squawk 1200, frequency change approved, have a good day -- break --United 8943, lower in five miles, slow to 250 knots now...."

THOUGHT FOR THE MONTH

If you've ever flown into **Meigs Field** on the Chicago Lakefront, you know how convenient it is to Downtown Chicago. It's also the only window on general aviation for many inner city kids. (The Tuskegee Airmen are doing a tremendous job with the Young Eagles Program there.) Meigs is a political football whose future is in jeopardy. You can help by sending a tax deductible contribution of any amount to:

Friends of Meigs Field, P.O. Box 59-7308, Chicago, IL 60659-7308 We can make the difference!
